Terms & Conditions

The following conditions are expressly stipulated for the issuance and use of the Schladming–Dachstein Card.

PREAMBLE

The Schladming–Dachstein Card entitles Guests of the Schladming–Dachstein Region, who are staying during Schladming–Dachstein Card season at a Schladming–Dachstein Card host business and who have registered by means of the official Guest registration form, to take advantage of many bonus services as well as free admission to many holiday attractions, including summer lifts, swimming pools and museums as well as use of participating public transportation in the region and an exciting family program. The purchase, issuance and utilization of the Schladming–Dachstein Card – insofar as not stipulated otherwise – is subject exclusively to the following Terms & Conditions (hereinafter referred to as: Terms). To facilitate comprehension, these Terms avoid gender-specific formulations to the greatest extent possible. Insofar as any gender-specific terminology happens to be used, the intent is that this applies to all genders.

1. LEGAL SCOPE OF THESE TERMS & CONDITIONS

These Terms apply to the contractual relationship between the operators of the Schladming–Dachstein Card and Schladming–Dachstein Card holders and – insofar as nothing is stipulated to the contrary below – represent the exclusive legal foundation for issuance and utilization of the Schladming–Dachstein Card. Divergent provisions are not recognized by the operators of the Schladming–Dachstein Card and may not, therefore, constitute part of the contract. These Terms may be found on the website of Schladming–Dachstein Tourismus GmbH at schladming-dachstein.at/Impressum, from where they may also be saved or printed off.

2. OPERATORS OF THE SCHLADMING–DACHSTEIN CARD

The operators of the Schladming–Dachstein Card are ARGE Schladming–Dachstein service providers as well as Schladming–Dachstein Tourismus GmbH, which may be reached by means of the following contact channels:

Tel.: +43 3687 23310

Email: info@sommercard.info

Post: Rohrmoostraße 234, A-8970 Schladming

Members of ARGE Schladming–Dachstein Card can be found under the following Internet address: sommercard-Datenschutz/Schladming-Dachstein

3. PURCHASE AND ISSUANCE OF THE SCHLADMING–DACHSTEIN CARD

The conclusion of an accommodation agreement with a host Schladming–Dachstein Card business (refer to website) entitles the contractual partner and their travel companions (Guest) to avail themselves of the Schladming–Dachstein Card. (The contractual relationship between the Guest and the Schladming–Dachstein Card host – with the exception of provisions pertaining specifically to the Schladming–Dachstein Card – is unaffected by the Terms at hand.)

A requirement for issuance of the Schladming–Dachstein Card is that the Guest – in accordance with official registration regulations – has truthfully reported their personal data to the host Schladming–Dachstein Card business.

Regardless of the length of stay, the Schladming–Dachstein Card host is required to draw the Guest's attention to the Schladming–Dachstein Card. The Schladming–Dachstein Card host will issue the Guest with a physical or digital Schladming–Dachstein Card. The physical Schladming–Dachstein Card only becomes valid subsequent to the Guest having signed the back of the card. The digital Schladming–Dachstein Card is valid as soon as it has been activated by means of the Schladming–Dachstein Card app (hereinafter referred to as: app) on the Guest's smart phone. In order for the digital card to be issued (without a physical card), the Guest must provide the Schladming–Dachstein Card host with an email address to which the Schladming–Dachstein Card host can then send a link for the digital card.

The Guest is likewise entitled to install the app on their (mobile) device, then use the scan function to convert and subsequently use the physical card as a digital Schladming–Dachstein Card.

The Schladming–Dachstein Card may only be used for utilization of Schladming–Dachstein Card services by that person whose name and identification number is given on the card (the legitimate holder). With respect to the digital Schladming–Dachstein Card, it is possible to store the cards of several people on the same end device. However, each respective digital Schladming–Dachstein Card may only be utilized by the legitimate holder in question.

The Schladming–Dachstein Card is nontransferable and is not available for purchase on the open market (only as a season ticket).

4. VALIDITY OF THE SCHLADMING-DACHSTEIN CARD

The general validity period of the Schladming-Dachstein Card extends from 14 May until 2 November 2026.

The specific validity of a Schladming-Dachstein Card is restricted to the dates of the stay stipulated in the accommodation agreement entered into between the Guest and the Schladming-Dachstein Card host in question. Validity begins at 1 PM on arrival day, while the card remains valid for all of the remaining days including departure day.

5. SCOPE OF SCHLADMING-DACHSTEIN CARD SERVICES

The Schladming-Dachstein Card entitles the holder to utilize specified Schladming-Dachstein Card services according to the Schladming-Dachstein Card conditions as detailed. The specified Schladming-Dachstein Card services as well as the detailed Schladming-Dachstein Card conditions may be consulted at sommecard.info - this information is nonbinding. With the exception of the specific conditions, the respective tariff conditions of the Schladming-Dachstein Card service provider in question will apply.

When utilizing Schladming-Dachstein Card services, the respective general terms of carriage and business, access restrictions, capacity restrictions and hours of operation of the Schladming-Dachstein Card partner business will apply. Furthermore, utilization of Schladming-Dachstein Card services may be adversely affected by additional waiting periods or cancellations due to weather, seasonal or miscellaneous operational reasons. Liability on the part of the Schladming-Dachstein Card operator for such limitations of service is excluded.

6. UTILIZATION OF SCHLADMING-DACHSTEIN CARD SERVICES

In order to utilize a specific Schladming-Dachstein Card service, the physical or digital Schladming-Dachstein Card must be presented to the Schladming-Dachstein Card service provider whose Schladming-Dachstein Card services are about to be utilized, prior to concluding the contract entitling the cardholder to utilization of said Schladming-Dachstein Card services. The Schladming-Dachstein Card service provider is entitled to check the validity of the Schladming-Dachstein Card by means of an electronic verification device, visual inspection etc. If the Schladming-Dachstein Card service provider has any doubts about the validity of the Schladming-Dachstein Card or the holder's entitlement to use the Schladming-Dachstein Card in question, the provider may demand presentation of photo identification as proof. If the Schladming-Dachstein Card is not presented, if it is not or no longer valid, or if the holder refuses to show it, the Schladming-Dachstein Card service provider is entitled to deny conclusion of a contract for the Schladming-Dachstein Card service in question according to the conditions originally associated with the Schladming-Dachstein Card.

7. MISUSE, LOSS, THEFT OF THE SCHLADMING-DACHSTEIN CARD

The Schladming-Dachstein Card is nontransferable. The legitimate holder must ensure that the Schladming-Dachstein Card is not misused. Misuse includes in particular the illegitimate utilization of Schladming-Dachstein Card services under Schladming-Dachstein Card-specific conditions, duplication of the Schladming-Dachstein Card or use of the Schladming-Dachstein Card by third-parties. The attempt to transfer a Schladming-Dachstein Card to a different person constitutes misuse per se. In the event of misuse, loss, theft or other misplacement of the Schladming-Dachstein Card, the legitimate holder must notify the Schladming-Dachstein Card operator by telephone or email or the Schladming-Dachstein Card host without delay. The Schladming-Dachstein Card operator is not liable for the consequences of damages due either to complete failure or culpable delay in notifying the Schladming-Dachstein Card operator about the misuse, loss, theft or other misplacement of the Schladming-Dachstein Card - subject to Pt. 8. of these Terms. Misuse will be penalized by confiscation without replacement of the Schladming-Dachstein Card and a fine of at least 70.00 €, or by official complaint lodged with the appropriate authorities.

With respect to loss, theft or other misplacement of the physical Schladming-Dachstein Card, the legitimate holder has the right to issuance of a new Schladming-Dachstein Card.

8. LIABILITY

The holder of the Schladming-Dachstein Card is aware that the sole responsibility of the operator of the Schladming-Dachstein Card is for processing procedures between the legitimate holder and the Schladming-Dachstein Card service providers as well as Schladming-Dachstein Card hosts. The legitimate holders relinquish any potential guarantee or damage claims against the operators, regardless of whether the service provider or Schladming-Dachstein Card host is accused of a negligent breach or not. Liability on the part of the operator for damages due to slight negligence with respect to breaches of secondary obligations is excluded. In the event of negligent breaches with respect to primary obligations, the operator is not liable for damages the cause of which, by dint of their general nature, appear completely incommensurate with such damages, or for damages which are merely the result of an extraordinary chain of circumstances. Liability on the part of the operator for premeditation, gross negligence as well as damages resulting from culpable injury to life, body or health of people shall remain unaffected by the aforementioned provisions.

The operator is not the contractual partner of the legitimate holder when utilizing Schladming-Dachstein Card services. That said, the operator is not liable with respect to any claims deriving from the contractual relationship between the legitimate holder and the Schladming-Dachstein Card service provider in question. In particular, the operator is not liable for denied, non-provided or inadequate (Schladming-Dachstein Card-)services rendered by a Schladming-Dachstein Card service provider, for damages resulting from the legitimate holder (or his/her companions) utilizing Schladming-Dachstein Card services, nor for those services listed as Schladming-Dachstein Card services under schladming-dachstein.at/de/Sommer/Sommecard#Sommecard-Attraktionen or in the Schladming-Dachstein Card brochure not being offered by the service providers in accordance with the described Schladming-Dachstein Card conditions.

9. DATA PRIVACY

The safeguarding of personal privacy and personally identifiable data of the Schladming-Dachstein Card user is a special priority of the operator. Consequently, personally identifiable data is processed exclusively on the foundation of statutory provisions (Regulation [EU] 2016/679 for the protection of natural persons pertinent to the processing of personally identifiable data, free movement of data, and repeal of directive 95/46/EEC [GDPR], Data Privacy Act 2018 [DSG 2018] and the Telecommunication Act 2003 [TKG 2003]).

By agreeing to these terms and conditions, you also acknowledge the Schladming-Dachstein Card privacy policy. The Schladming-Dachstein Card privacy policy can be accessed via the following QR link:

10. AMENDMENTS TO THE TERMS

Amendments to the Terms come into immediate effect. The exception to this are Schladming-Dachstein Cards which are valid at the point in time when the amendment comes into effect. These continue to be subject to - with the following exceptions - the Terms in their most recent valid version prior to purchase of the Schladming-Dachstein Card.

The operator may undertake minimal, objectively justifiable amendments to these Terms consistent with § 6 (2) (3) KSchG unilaterally at any time. These amendments may include, in particular: extension of the validity period, editorial adaptations and stylistic changes. Schladming-Dachstein Card users will be provided notification of unilateral amendments to these Terms via the following QR link and potentially also by email.

11. SEVERABILITY CLAUSE

Should individual provisions of these Terms - including this particular provision - be declared null or void, either completely or in part, or if the agreement evinces an unforeseen loophole, this shall in no way affect the validity of the remaining provisions. In place of a voided or absent provision, insofar as no compelling legal regulations demand the contrary, this agreement will be amended by means of a provision which most closely approximates the commercial and contextual purposes of the original provision in question.

12. APPLICABLE LAW

Insofar as no compelling statutory regulations demand the contrary, the applicability of Austrian substantive law under exclusion of international civil law as well as the UN Sales Convention shall be stipulated.

13. SEAT OF JURISDICTION

Insofar as no compelling statutory regulations demand the contrary, the international jurisdiction of the Austrian courts as well as the competent courts - at the point in time when suit was brought - with local jurisdiction over the seat of Schladming-Dachstein Tourismus GmbH shall be stipulated.

14. SCHLADMING-DACHSTEIN CARD SEASON PASSES

Offshoots of the Schladming-Dachstein Card for guests, there are various other cards which are valid for the entire Schladming-Dachstein Card season: the Vermietercard, Freizeitcard, employee- and benefit cards. These passes deviate in their included services and specific conditions from those of the Schladming-Dachstein Card for guests. The aforementioned terms are, however, applicable to all seasonal cards with the exception of the validity period and purchase conditions.
